

TOTAL PRAISE

By Richard Smallwood

Lord I will lift mine eyes to the hills
Knowing my help is coming from you
Your peace you give me in time of the storm
You are the source of my strength
You are the strength of my life
I lift my hands in total praise to you
(Repeat)

You are the source of my strength
You are the strength of my life
I lift my hands in total praise to you

Amen, Amen
Amen, Amen

MOVE MOUNTAIN

*By Margaret Pleasant Douroux
Recorded by Rev. Clay Evans*

CHORUS

Let me tell you how to move a mountain
That may be too hard to climb
Let me tell you how to move a mountain
That might be hiding your bright sunshine

When you hands are bleeding and torn
And your feet are weary and worn
And when you try to climb up
The rocks can make the going get tough, just say...
Move, mountain
Move, mountain
Mountain get out of my way

CHORUS

Let me tell you how to move a mountain
When the climbing gets you down
Let me tell you how to move a mountain
When you feel like its your last round

When my friends have left me behind
And the way sometimes I cannot find
So many times I prayed for help
Then I have to stand right up here by myself, I just say...
Move, mountain
Move, mountain
Mountain get out of my way

Ending:

If you have the faith the size of a mustard seed
Move, mountain
Move, mountain
Mountain get out of my way
(Repeat ending 2x)

Possible rubato at ending
